Dear Parent/Carer

### **Welcome to Trinity Academy Bradford**

Firstly, I would like to welcome you to Trinity Academy Bradford. We are looking forward to your child joining the academy community and sharing more about how we will help them to gain the most from their educational journey with us over the next few years.

You may be aware that the Trinity Multi Academy Trust has recently taken on the old Queensbury Academy, and it has been renamed Trinity Academy Bradford. The new name is not the only difference you will notice when you get the chance to come and visit us here. Trinity MAT has a proven track record of rapid school improvement, and we are excited about the potential for change here at Bradford. Work has already begun on improvements to all areas of academy life: the quality of education, curriculum, facilities and the technology available for staff and students.

We will be working closely with families and primaries to ensure that all our Year 6 students will receive all the support they need to transition smoothly into life in secondary education. We will be in touch with more information about this process over the coming weeks and months. A welcome booklet will be sent out to you shortly with important introductory information.

We will also include our Year 6 families in our fortnightly newsletter distribution so that you can be involved and informed about the exciting developments that are happening here, and learn a little about what life is like at Trinity Academy Bradford.

We are very much looking forward to welcoming all our new parents and students. As an outstanding academy we are constantly looking at new ways we can help our young people to succeed.

If you have any questions in the meantime, please do not hesitate to contact us at [transition@bradford.trinitymat.org](mailto:transition@bradford.trinitymat.org).

Yours sincerely
