

Welcome to Trinity Academy Bradford

Newsletter | Issue 2

Uniform

We're excited to get all students into their new uniforms so they can feel fully part of the Trinity family. We will be communicating our full Uniform Policy and details of suppliers who stock our Trinity branded items in mid-June. You'll be pleased to learn students will get a blazer and a tie with their new uniform. Additionally, a voucher will be handed out to contribute to other items.

Meet the staff

Name: Mrs Blair

Job Role: Curriculum Leader for Science (TMAT)

How long at TAB: Since February 2021

Why you love your subject: The intricacies of the biological systems present in living organisms fascinates me, and all as a result of evolution!

Hobbies: Trail running with my dog Piper. Cooking. My houseplants.

Favourite thing about teaching: How no two days are the same.

Favourite thing about TAB: The friendly atmosphere amongst both staff and students. I have felt very welcomed!

We have a new [Twitter](#), [Instagram](#) and [Facebook](#) account, find us @TrinityAcadBrad

Goodbye Class of 2021

What a year it has been for all of our students, but in particular our Y11 students. Not only have they faced the pandemic like us all, they have also worked wonderfully hard in showcasing their hard work in their final assessments.

The whole teaching team here at Trinity Academy Bradford would like to take this moment to share how proud we are of every single one of them. We know you will have the brightest futures ahead of you. Continue to work hard and remember the values and skills you have learned here at Trinity Academy Bradford, and you will do great things.

In order to ensure all of our Y11 students are fully prepared for their next steps in life, we'll be putting on two weeks of virtual 'next step' sessions. Please refer to the booklet sent out to Y11 parents and carers for more information on this.

Sports Corner

Our Y9 Rugby League team started together in Y7, many of them play together outside school. In Y7 they won the Bradford Bulls Foundation tournament, qualifying us for the Yorkshire Schools Cup.

Rugby didn't begin in Y8 due to Covid19, so these Y9 students were eager to start the season. National guidelines have stated inter-school competition is not allowed. Yet, students have trained hard with Mr Smith (current Bradford Bulls player) and cannot wait to put all their hard work into action.

Training is going well. They have a lot of prior knowledge from out of

school and have played together for some time. While starting off with basics with tackle technique and decision-making, Jake C and George M have really been showing their strengths. Soon we will look at expanding this onto common plays within the game and marker processes. – Mr Smith

TAB-ulous!

Something we are never short of here at Trinity Academy Bradford is incredible work our students have produced that we can share with you! This month, Evan S (Y10 Student) is in the spotlight. Whilst self isolating at home, he has written a fantastic poem about his experience.

Isolating

*I'm inside looking out.
I want to be outside looking in.
I can talk to three people.
I want to talk to more.*

*I'm learning from a computer.
I want to be learning in school.*

*The frustration is building.
Emptying the Hoover is now exciting.
Putting the bin out is a highlight.
I yearn to go for a walk, with the sun on my skin.*

*At least I am surrounded by love,
With people who care
And help me out every day.*

Have your say.

Parent Survey 2021

Parent Survey

You may well have seen that we are currently running a survey asking the reasons why students choose their top 5 High Schools. We'd love to know what influenced your choices as parents of our Trinity Bradford students.

You can find our short survey by typing <https://forms.gle/E1JzL6cgu5JhbwtV6> into your browser.

We can't wait to hear from you!
