

Trinity Academy Bradford

Provider Access Statement

Introduction

This policy statement sets out the academy's arrangements for managing the access of providers for the students at the academy, for the purpose of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in Years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact:

Kate Taylor, School Improvement Officer

Telephone:

Email: ktaylor@bradford.trinitymat.org

Opportunities for access

A number of events, integrated into the academy careers programme, will offer providers an opportunity to come into the academy to speak to students and/or their parents/carers.

Please see below for an outline of planned events throughout the year:

Year 7	<ul style="list-style-type: none"> Assembly on options 16+ – the different routes students can take Assemblies from local employers Labour market information assemblies Bradford Manufacturing Weeks Careers fair Financial education through Life lessons

Please speak with our careers leader to identify the most appropriate opportunity for you.

Premises and Facilities

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The academy will also give the provider access to specialist equipment, such as computers, for presentations where appropriate. This will be discussed and agreed in advance of the visit with the careers leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature in our Learning Resource Centre, or with our Careers Advisor, Laura Wright. They should drop these into the Main Reception.
