	Key questions which may highlight a potential risk	Level of risk (L,M,H)	Action taken to mitigate risk	Owner	RAG
1	<b>Students accessing extremist material in school</b>	Low	IT filters in use at all times (SENSO) making accessing unsuitable material very difficult. Tracking software allows staff to log any attempts to access extremist material and identify students. The academy's ICT policy sets our clear guidelines for students and staff on the use and misuse of ICT equipment. Mobile phones are not allowed to be used in the academy which reduces access to 3G/4G networks. Key pastoral staff know who the LA PREVENT lead is and how to contact them. 2	<b>Students accessing extremist material outside school</b>	Low	Tutor time sessions and assemblies focus on the dangers of extremism,	SLG	

			educating students about the risks and what to do if they find or are encouraged to access extremist material. E-safety information is provided to all students on a regular basis.	DSL Deputy DSL YMs	
3	<b>Students expressing extreme views or encouraging others to behave extremely</b>	Low	Pastoral system understood by all students, and they are confident to disclose to key staff. Staff aware of PREVENT and dangers of extremism and report using the embedded yellow 'Cause for Concern' form. Relevant Staff know who to refer to eg Channel, Safeguarding Police, LA PREVENT Officer, MAST should they have any concerns	SLG DSL Deputy DSL YMs	
4	<b>The school becoming associated with extremist groups</b>	Low	External bookings carefully checked that they are not affiliated with extremism. Policies in place to deal with staff, students or visitors who express extremist or anti-British sentiments. All concerns are passed to the relevant agency eg Channel, LA PREVENT Officer, Police	SLG DSL Deputy DSL YMs Senior Admin
