

PHASE LEADER UPDATE

Phase One

October 2023

Our Year 7 students have settled well into life at Trinity Academy Bradford. Students have had the opportunity to select their co – curricular club and get themselves fully immersed into our after-school offer. Year 8 have also had the opportunity to select their club, and this term has seen them select from a wide range of different clubs from last academic year. Both year groups have been working towards their Graduation criteria, picking up achievement points and working hard in their lessons to achieve a good attitude to learning. During week 2 of the new term, students will spend 2 tutor time sessions reflecting on their data with their tutor.

THE INTRODUCTION OF PROFESSIONAL STANDARDS

This year we have launched our Professional Standards curriculum. Students will spend Monday tutor time learning about why we have the rules we do, and about how living their lives by these Professional Standards will support them with success both in school, and in their adult lives.

Our Professional Standards are Conduct, Dedication, Organisation, Pride and Values. For more information about our Professional Standards and how they underpin everything we do at Trinity Academy Bradford, please take a look on our website.

CO-CURRICULAR OFFER

Students have made their selection for their co – curricular club during tutor time at the start of the term. Students will participate in this club until Term 4. At the end of Term 3, students will select their club again. This gives students an opportunity to get involved in a different club but also gives students an opportunity to join a club that they may have missed out on during terms 1 – 3.

We have around 27 clubs on offer during terms 1 – 3. These include Poetry Club, Gardening Club, Crochet Club and many more.

Please be reminded that if a student would like to change their club, they need to speak to their tutor. If the club change is successful, you will receive a text home to confirm this change.

PERSONAL DEVELOPMENT OPPORTUNITIES

Year 7 – We have had a fantastic response to our Outward Bound residential that we will be running from the 26 February to 1 March 2024. If your child is going on our residential our Information Evening will be Tuesday 30 January 2024. It is imperative that all attend.

Year 8 – This term has seen the introduction of our residential to Rome. This will run in April 2024 for 20 students. Students will find out if they have secured a place soon.
