

# PHASE LEADER UPDATE

Phase Three

October 2023

Our Phase Three students have settled well into their first term at Trinity Academy Bradford. Both Year groups have been attending a P6 lessons in which they have been exploring their subjects in greater depth, students have shown real resilience and we have been very impressed with their commitment and dedication so far.

Our Year 10 students have been introduced to our Competitive Edge programme; over the academic year students will attend assemblies run by 6 guest inspirational speakers including Jamie Peacock and Ellie Sax.

Our Year 11 students have been busy creating their CV`s as they will be applying to colleges or apprenticeships very soon. This is to provide students with `extra and beyond` opportunities giving our students the best possible start to their next steps. We have also support students with running our own careers fayre and inviting colleges in to delivery assemblies.

## THE INTRODUCTION OF PROFESSIONAL STANDARDS

This year we have launched our Professional Standards Curriculum. Students will spend Monday tutor time learning about why we have the rules we do, and about how living their lives by these Professional Standards will support them with success both in school, and in their adult lives.

Our Professional Standards are Conduct, Dedication, Organisation, Pride and Values. For more information about our Professional Standards and how they underpin everything we do at Trinity Academy Bradford, please take a look on our website.

## MOCK INTERVIEW DAY

On 28 September we hosted our first Mock Interview Day here at the academy. We had over 20 professionals from different trades that gave up their time to interview all of our Year 11 students. Prior to the Mock Interview Day, students received several master classes on how to create a CV during their C4L lessons. Students then discussed their CV`s including their skills and qualifications during their mock interview.

In the same afternoon all students then attended a Careers Fayre. We had over 10 colleges attend to help students explore their next steps.

## YEAR 11 STUDENT PREFECT COMMITTEE

Following a rigorous interview process this term we announced our Year 11 Student Prefect Committee, including our Head Boy and Head Girl. All prefects have designated roles within school linked to their allocated committees. Alongside these roles, prefects also take responsibility for fundraising, policy discussions, supporting and organising events and leading a behaviour duty to support Professional Standards and the display of the core values within the academy.

## UPCOMING EVENTS
