

PHASE LEADER UPDATE

Phase Two

October 2023

Our Year 9 students have returned to the academy dedicated to achieving success in the next phase of their journey at Trinity Academy Bradford. They have built on their wonderful experiences within Phase One which culminated in an incredible Graduation evening. They are beginning to develop their resilience and thirst for learning and are engaging with the launch of the Trinity Challenge programme. Trinity Challenge will provide the year group with the opportunity to take part in a wide range of challenges this half term, such as TC28: Say hello, goodbye, please and thank you in three languages and TC5: Take part in the Trinity community littler pick. During week 2 of the new term, students will spend tutor time sessions reflecting on their progress with their tutor.

THE INTRODUCTION OF PROFESSIONAL STANDARDS

This year we have launched our Professional Standards curriculum. Students will spend Monday tutor time learning about why we have the rules we do, and about how living their lives by these Professional Standards will support them with success both in school, and in their adult lives.

Our Professional Standards are Conduct, Dedication, Organisation, Pride and Values. For more information about our Professional Standards and how they underpin everything we do at Trinity Academy Bradford, please take a look on our website.

PERSONAL DEVELOPMENT OPPORTUNITIES

We had a fantastic residential visiting the Belgium Battlefields from 13 October to 17 October with several of our Year 9 students.

DUKE OF EDINBURGH

This academic year we have launched the Bronze Duke of Edinburgh Award Scheme to all Year 9 students. This qualification is funded by the academy and runs alongside the Trinity Challenge programme. The intention of this is to provide an opportunity for students to build character and promote and support health and well being. This is a great opportunity for our Year 9 students to try something new or choose activities they already enjoy – either way, they'll gain skills, make friends and achieve an award that will set them up for life. For those students who want to continue, students in Year 10 and 11 will have the opportunity to achieve their Silver award.

UPCOMING EVENTS
