

PHASE LEADER UPDATE

Phase Three

December 2023

Termly Update

Our Phase Three students have had a busy but very productive term 2. We need to start by congratulating our Year 11 students, who have conducted themselves exceptionally during their trial exams. During this period students attend a pre-exam workshop before sitting their specific subject paper. This was over a 2 week period, in which students demonstrated the Academy's Professional Standards (*conduct, pride, organisation, values and dedication*).

Competitive Edge keynote speaker Year 10

Each term our Year 10s are invited to a termly seminar delivered by an inspirational speaker, this term we had the pleasure of Alan O`Donohoe who did not disappoint. Teaching our students about the choices we make and how we can learn from them.

Next term we have the pleasure of Ellie Sax, an award-winning graduate of the Royal Northern College of Music, Ellie is an extremely versatile artist, excelling in all areas as a saxophonist and vocalist.

Year 10 Student Committee

Following a rigorous interview process this term we announced our Year 10 Student Prefect Committee, including our 10 Student Committee Leads. The aim of the Student Committee is to sit along side our Parent and Staff Committee. This will allow all of committee members to discuss important topics and exchange information with our students at the forefront of any discussion making. This week the main agenda was on Schools of the Future. This gave students the opportunity to discuss which subjects they would like taught in their school while following the Fundamental British Values, ensuring everyone's voice was heard.

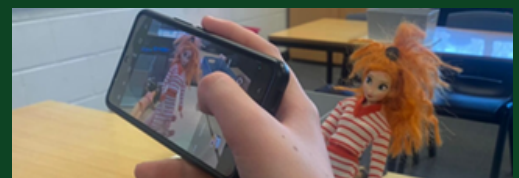

Upcoming Events

Competitive Edge keynote speaker – Year 10s – Ellie Sax

Mrs Ravandi – Phase Three Leader

Competitive Edge Drop Down Day Year 11

All of Year 11 were off timetable on Wednesday 6 December to take part in their Competitive Edge Drop Down Day. The day included a variety of taster sessions that were ran by external sixth forms and colleges giving them the opportunity to experience their next steps. Some sessions included criminology, psychology, beauty, sport, classics, fashion and textiles to name a few. It was a fantastic day, again giving our students `above and beyond` opportunities when it comes to their next steps.

Careers

Trinity Academy Bradford makes sure that its careers programme builds in Phase Three, with students experiencing a range of careers related encounters through the Competitive Edge programme.

Did you know that students can take part in Virtual Work Experience outside of school? See our website for more information
