

PHASE LEADER UPDATE

Phase Two

December 2023

Termly update:

Our Year 9 students have made a really positive transition into Phase Two. Students have wholeheartedly strived to be successful in their first full term of Phase Two, displaying dedication and pride in their successes throughout their learning journey. All Phase Two students have developed their resilience and thirst for knowledge with the launch of the Trinity Challenge programme. Trinity Challenge has provided Phase Two students with the opportunity to partake in a wide range of challenges this half term such as TC15: plant something and help it and TC25: perform or support at a music, dance or drama event. During week 2 of the new term students will spend tutor time sessions reflecting on their progress and setting goals for the upcoming term in relation to Trinity Challenge.

Trinity Challenge Shout Outs

Term 2 has seen students work towards new goals in their clubs Trinity Challenge journey.

Maisie (Year 9B):

Maisie has displayed an impressive level of independence and dedication to completing various Trinity Challenge's in term 2, so far completing an amazing 17 challenges!

Personal Development Opportunities

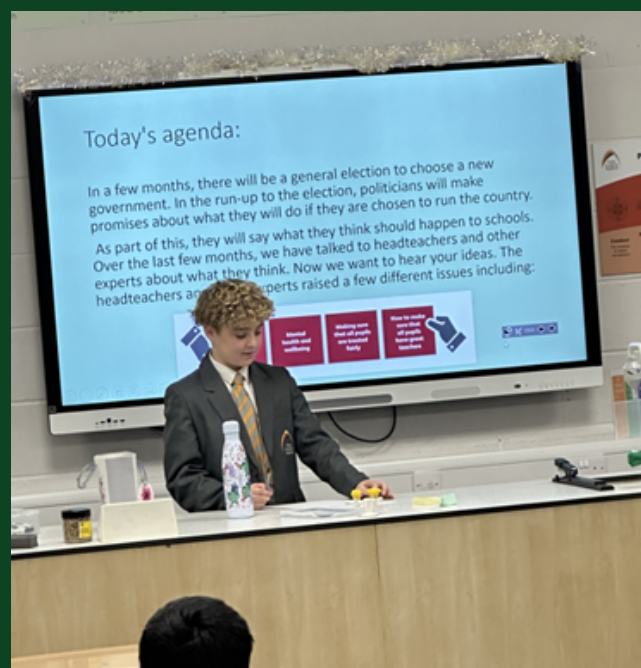

Year 9 – We have had a fantastic Health and Social Care visit to the Brian Jackson Centre in Huddersfield, exploring non-clinical roles within the NHS.

Year 9 – All students had the opportunity to apply and present to their forms to become form representatives. Students then also had the opportunity to interview for the role of year representatives to sit on the student committee.

Duke of Edinburgh

Approaching the end of the first full term, 60 students have successfully started their Bronze DofE journey. We have had amazing activities being achieved: litter picking in the local community, making flower seed balls for planting in the local park and learning first aid. As well as students undertaking a variety of challenging physical activities and unique skills, to challenge and develop themselves. We ask now that Year 9 students who have not already started their DofE journey, check their school emails for the eDofE welcome email and follow the instructions in there to get started and ready for going into 2024

Liam Brown-
Phase Two Leader

Careers:

Trinity Academy Bradford maps its careers programme so that it progresses through Phase 1,2,and 3. Next term, Year 9 will have two drop down days around Positive Choices and Health Research.

Did you know that students can take part in Virtual Work Experience outside of school? See our website for more information.

Upcoming events:

Trinity Challenge Reflection – Week 2 of the new term sees the students have the opportunity to reflect on last half terms data

Age of Wonder – 8 and 9 February, Born in Bradford research days
