Curriculum for Life: Year 7 - Big Picture

Term 1: Welcome to Trinity and Healthy Minds <i>How can I ensure I have the best start at Trinity?</i>	Term 2: Healthy Relationships <i>What makes a positive relationship?</i>	Term 3: Living in the Wider World <i>How can I support my local community?</i>
<p>This unit is about ensuring you are as comfortable as possible with your transition to Trinity Academy Halifax. We will explore what Curriculum for life is and how this subject can help set you up in the right direction to be successful at Trinity. We will also explore how you can look after your mental health when joining secondary school, as you may face to challenges, emotions and feelings.</p> 	<p>This unit is about supporting you in your transition to Trinity Academy, specifically when it comes to making new friends & showing respect to other students. To be a successful student at Trinity you need to understand our expectations of how we treat others. You will look at what a positive relationship is and how to maintain healthy relationships but also, you will look at negative aspects of relationships & the school's policy around bullying and what bullying is.</p> 	<p>This unit is about giving you a positive view of the community you live in. It is also about giving you the opportunity to give back to the community you have grown up in. You will examine how your local community works and also begin to look at how you can impact upon your local community. A project will be created to allow you to develop the skills needed for charity work and to also link with our school's principles of responsibility, empathy and respect.</p> 
Term 4: Health and Well Being <i>How does puberty impact me?</i>	Term 5: Health and Well Being <i>How can I keep myself healthy?</i>	Term 6: Living in the Wider World <i>How does money impact people's lives & why do people commit crime?</i>
<p>This unit is about understanding about how your bodies will be changing currently and in the next few months and years. Both boys and girls will be given an insight into how your bodies differ and how you can manage these changes. We also ensure you are aware of how to keep your bodies clean as your bodies are changing, supporting you with personal hygiene including dental hygiene.</p> 	<p>This unit about being aware of how your food and drink choices impact upon your health. It will allow you to understand what makes food healthy & unhealthy & the impact this can have upon your body. It will also include other choices you make such as your sleeping habits, exercise, time spent on social media & smoking/e-cigarettes.</p> 	<p>You will examine the choices people have with their money, looking at both positives and negatives of financial decisions. You will also examine the products banks and building societies offer to keep track of your money & how to keep your money safe from fraud and scams. You'll finally examine the implications of crime, looking at why people commit crimes and the statistics of youth crime in the UK.</p>
