Dear Parent/Carer

Welcome to Trinity Academy Bradford

Firstly, I would like to welcome you to Trinity Academy Bradford. We are looking forward to your child joining the academy community and sharing more about how we will help them to gain the most from their educational journey with us over the next few years.

Since joining Trinity MAT in February 2021, there have been significant improvements to all areas of life at Trinity Academy Bradford including curriculum, behaviour, teaching and learning and personal development opportunities. With a new build due to open in 2025 your child is well positioned to benefit from the changes.

We will be working closely with families and primaries to ensure that all our Year 6 students will receive all the support they need to transition smoothly into life in secondary education. We will be in touch with more information about this process over the coming weeks and months. A welcome booklet will be sent out to you shortly with important introductory information and we will continue to update the Transition section of our website. <https://bradford.trinitymat.org/year-6-transition/>

We are very much looking forward to welcoming all our new parents/carers and students. We are constantly looking at new ways we can help our young people to succeed and are excited for your child to join us here.
