Make the right footwear choices...

Parents should be aware that only plain black shoes are permitted in the academy – there must be no white/coloured labels, logos, markings, buckles or studs. Shoes must be leather or leather look. Please note that suede footwear is not allowed. A general guide is to ask if the shoe would be considered appropriate for a professional office environment and would be worn with a suit.

Footwear must be sensible. Pumps, high heels or boots of any kind are not allowed. The images below provide some examples. If you are unsure, please contact the academy to clarify before making a purchase. This is not an exhaustive list and is designed to provide a guide only. Please note that students wearing inappropriate shoes will be loaned a pair for the day.

Coats and outdoor wear

- Coats and jackets must be removed whilst inside the academy . Coats should be a single subdued colour and in a plain material.
- Hoods or caps must not be worn at any time. The only exception to heads being covered will be on religious, health or medical grounds.
- Hoodies, sports style jackets, denim items, sweatshirts, cardigans and jumpers are not allowed and will be confiscated if worn.

Jewellery, hair and make-up

- Students should be well-groomed at all times. Hair should be of one natural colour. Extreme hairstyles, including shaved heads, lines in hair and unnatural colours are not permitted. Hair fashion items are not allowed. A bobble is required for long hair whilst doing PE.
- Subtle make-up is permitted – this should be subdued and natural.
- Students may wear a wristwatch or smart watch.
- No jewellery is permitted.
- No piercings are allowed, and must be removed. They must not be left in and covered with plasters.
- Nail varnish or false nails are not allowed, and students will be required to remove these immediately using products supplied by the academy.

"A smart uniform not only helps our young people to achieve more, it also sets the right impression to future employers and the local community. Our students are proud to 'be Trinity' and reflect this in their standard of uniform."

A complete focus on learning...

Our approach to electronic devices including mobile phones, smart phones, and other similar devices is simple – they are not to be seen, heard or used at any point during the academy day and this includes lunch and break.

Trinity Academy recognises the use of mobile phones travelling to and from the academy can help with student safety. Therefore, students can bring mobile phones into the academy, on the understanding that they are switched off, kept in bags and not seen throughout the day. This includes during break and lunchtimes. The academy will not accept any responsibility for loss, theft or damage to any smartphone or any electronic device.

If a mobile phone is used, seen or heard on academy premises it will be confiscated immediately. Similarly, ipods, and other such electronic devices (including earphones) are not allowed.

We believe that an excellent standard of uniform lays the foundations for an exceptional experience during a student's time with us and helps them prepare for the high expectations both employers and universities will have of our young people in the future.

As an academy, we work hard to ensure that students know and understand how simple it is to meet our uniform requirements and the consequences of failing to do so. All our students are part of the same academy community and the uniform lays the basis for success in all aspects of life here.

If for any reason you may find it difficult to meet any requirements set out in our policy, please do contact us. We are also happy to answer any queries with regards to this policy.
