Term 4

Termly Update

Term 4 has seen some brilliant progress towards our Graduation Criteria. In Year 8, we currently have 108 students that will be graduating with a 1st. For Year 7 this figure is 107. This means that students have met 4 out of the 5 criteria. This is a fantastic achievement! Students have also had the opportunity to select a new club ready for terms 5 and 6. Communication has been sent out regarding this. We do ask that students dedicate themselves to their allocated club throughout terms 5 and 6.

Outward Bound Residential

144 Year 7 students visited the Outward Bound centre at Ullswater. Whilst there, students spent their time engaging in different activities. They had the opportunity to visit a waterfall, walk up a mountain, tackle gorge walking and much more. Before going on the activities, they learnt about different skills that they needed in order to take part in the activity. During the week students also learnt about how their actions have consequences, either negative or positive, and how their actions also have consequences for others. They have been encouraged to transfer these skills into the classroom and staff will continue to build upon these skills within the classroom.

Earthshot Update

Since the launch of our Earthshot initiative in February 2022, Trinity Academy Bradford continues to make progress towards our Green Flag Distinction. As part of this, the Earthshot Community club developed an Eco – Code. The Eco – Code displays the aims and the expectations for the academy.

E – Every hand helps

A – At Earthshot we want to

R – Recycle and dispose sustainably

T – Try to provide sustainable meals

H – Highlight our habitats around school

S – Sustain a clean and tidy community

H – Hope for a greener, cleaner and kinder world

O – Only we can save the planet

T – Together at Trinity Academy
Bradford

Careers:

During our Phase Journey Curriculum, which takes place during tutor time on Friday, students have spent time thinking about their next steps when they leave Trinity Academy Bradford. This term, students in Year 7 have thought about the skills needed for different careers and Year 8 have looked at popular industries in Bradford.

If you would like to know more about our careers programme, please visit the website below.

Upcoming Events

Year 7 PCE – 23 April: Check your emails for how to book with subject teachers.

Year 8 Graduation Ceremonies:

10 – 12 June

**Friday 9 May: Lloyds Banking Group
Careers Day (Year 8)**

Co-curricular Shout Outs!

At the beginning of this term, 8G and 7D were awarded doughnuts for the best club attendance for the term! Well done to those students. The club league has continued this term, and winners will be announced at the start of next term. Below are some club shout outs from our staff:

Harry P (Year 7): Harry works incredibly hard in French Club and is able to recall key vocabulary. He has been working on developing his French accent.

Taher Y (Year 8): Taher always goes above and beyond in Earthshot Community Club, coming up with new and inventive ideas for how we can save the planet! He is polite, hardworking and passionate about the planet.
