Term 4

Termly Update

Our Phase Three students have had a very productive term 4. We need to start by congratulating our Year 11s and some of our Year 10 students, who have conducted themselves exceptionally well during their trial exams and pre-exam workshops. We also held our Academy Committee meeting where our Phase Year Committee and Prefects discussed how we could support our Phase Community Partners, Friends of Russell Hall Park. They shared ideas on how to raise money and overcome barriers to support the Community Partners. Our Phase Three students have been busy cooking up some fantastic ideas, more exciting news to follow.

Geography Trip

Year 11 students enjoyed a very sunny outing to Malham as part of their GCSE Geography fieldwork. It was a breathtaking setting with endless discoveries. The students conducted themselves extremely well, proving to be a great day for both students and staff.

Careers

Trinity Academy Bradford makes sure that its careers programme builds in Phase Three, with students experiencing a range of careers related encounters through the Competitive Edge programme.

Did you know that students can take part in Virtual Work Experience outside of school? See our website for more information:

Upcoming Events

Competitive Edge Keynote Speaker Year 10 – to be confirmed
GCSE Exams – May 2025

Competitive Edge Drop Down Day – Year 11

All of Year 11 took part in their careers Competitive Edge drop down day.

The day included a variety of taster sessions that were led by external visitors giving students invaluable insights about their industries and career paths.

Sessions included;
Acting; Computing;
Nextgen; The Woof Pack;
Lighting Engineering;
Theatre Seamstress; Kier
and White Rose
Education.

It was a fantastic day, again giving our students above and beyond opportunities when it comes to their next steps.

Competitive Edge Keynote Speaker – Year 10

Each term Year 10 students are invited to a termly seminar delivered by an inspirational speaker, this term we had the pleasure of Helena Aston, who did not disappoint. Teaching our students about what makes people unique and how a negative can always be turned into a positive.

Mrs Ravandi – Phase Three Leader
