

Term 2 Update

Our Phase Three students have had an incredibly busy yet highly productive Term 2. We begin by congratulating our Year 11 students, who demonstrated outstanding conduct throughout their trial exams. Over a two-week period, students attended focused pre-exam workshops before sitting their subject papers, showcasing the academy's Professional Standards – including conduct, dedication, organisation, pride and values. Their commitment during this crucial stage reflects the high expectations we set and the resilience they continue to develop.
