	Key questions which may highlight a potential risk	Level of risk (L,M,H)	Action taken to mitigate risk	Owner	RAG
1	Students accessing extremist material in school	Low	IT filters in use at all times, making accessing unsuitable material very difficult. Tracking software allows staff to log any attempts to access extremist material and identify students. The academy's ICT policy sets our clear guidelines for students and staff on the use and misuse of ICT equipment. Mobile phones are not allowed to be used in the academy which reduces access to 3G/4G networks. Key pastoral staff know who the LA PREVENT lead is and how to contact them. 4	The school becoming associated with extremist groups	Low	External bookings carefully checked that they are not affiliated with extremism.
